

## GET INVOLVED WITH THE ADVISORY COMMITTEE OF TENANTS

Housing Choices Western Australia (Housing Choices WA) has collaborated with tenants to develop the Housing Choices WA Advisory Committee of Tenants (ACT).

The ACT is a tenant-led group that meets every two months to discuss issues important to tenants and Housing Choices WA. The ACT provides tenants and tenant carers with an avenue to have their say about what we do and how we deliver our services.

### WHAT DOES THE ACT DO?

The ACT guides decision-making on how we communicate and engage with tenants and gives direct feedback to Housing Choices WA about our policies, procedures, strategy and service delivery.

As part of the ACT you can:

- ◆ advise on how Housing Choices WA communicates with tenants
- ◆ share your ideas and generate solutions
- ◆ assist in planning tenant engagement activities

### WHO CAN BE A MEMBER?

Any Housing Choices WA tenant or lodge resident can apply to join the ACT. Carers of Housing Choices WA tenants can also apply.

Housing Choices WA is committed to making its programs and services accessible. If you live regionally or need support and assistance to be involved, please let us know.

### HOW TO BE INVOLVED

#### Become an ACT member

Tenants can join the committee at any time by nominate themselves for one of multiple roles on the ACT (see the back of this flier for more information on ACT roles).

Executive committee positions are voted by the committee every two years.

See the back page of this flier to complete an ACT Nomination Form!

#### Other ways to be involved

If you prefer not to attend meetings or be part of a formal group, you can still contribute to the work of the ACT or have your say in other ways.

If you have general issues or ideas that you would like the ACT to discuss, please call 9430 0900 or email [act@hcau.org.au](mailto:act@hcau.org.au).

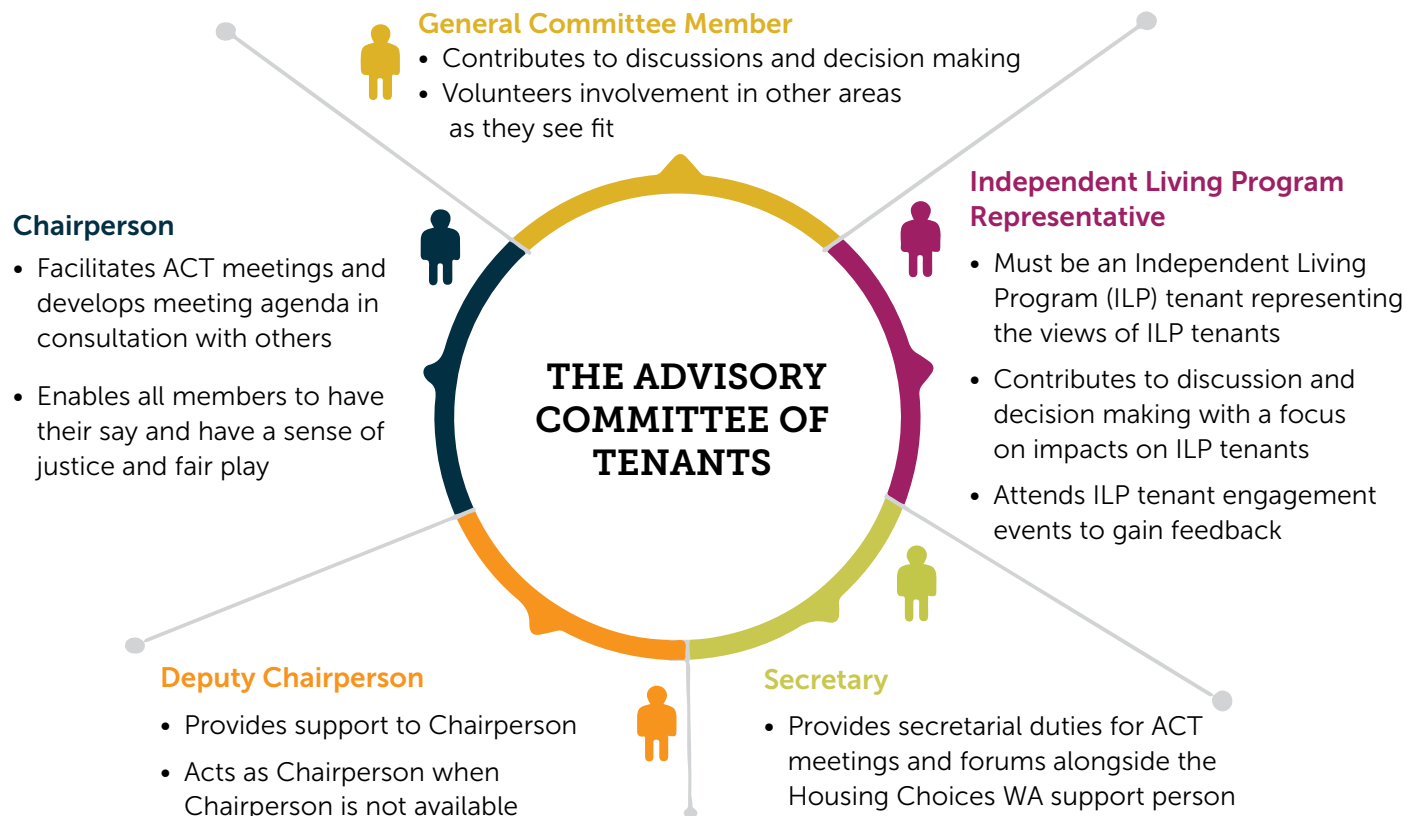

Keep informed about what the ACT is doing by reading the tenant newsletter.

Give feedback about our services by completing a Feedback Form and our Annual Tenant Survey.
